

Memorandum

To: Democratic State Central Committee (DSCC) Members
From: Eric C. Bauman, Chair
Date: February 12, 2018
Subject: CDP Pre-Primary Endorsement Review Committee Appointments

The California Democratic Party (CDP) Pre-Primary Endorsement Review Committee (PERC) considers formal objections to the endorsement recommendations resulting from an Endorsing Caucus of a relevant legislative district held at the Convention at which the candidate received at least two-thirds of the vote at the Endorsing Caucus, in accordance with CDP Bylaws, Article VIII, Section 3.d.(3).(b).

On the composition of the PERC, the CPD Bylaws state:

The Pre-Primary Endorsement Review Committee shall be comprised of all members of the Executive Board registered in the relevant district, the statewide officers; the Regional Director(s) of the relevant district, and two (2) Executive Board members, appointed by the Chair of This Committee prior to the start of the Convention, from each of the following committees: Rules, Credentials and Voter Services. (CDP Bylaws, Article VIII, Section 3.d.(3).(b).2.)

Due to the inclusion of Executive Board members from the relevant district and the relevant Regional Directors to the relevant district, the composition of the PERC varies depending on the legislative district in question.

Pursuant to the CDP Bylaws, I have appointed the following Standing Committee Executive Board Members as members of the PERC in the event that formal objection to the endorsement recommendation of Endorsing Caucus(es) are filed in accordance to the relevant CDP Bylaws-prescribed process.
